The Human Body: Fearfully and Wonderfully Made!

By Dr. Jay L. Wile and Marilyn M. Shannon, M.A., Schedule by Cheryl Randall

Biology II - Reading & Lesson Guide for Modules 1-16

NOTE to student: When there are notes concerning supplies for labs, be responsible and bring them. While working through the modules, always think through the ON YOUR OWN (OYO) questions **before** checking the answers. Read through ALL assigned experiments/labs before the next lab day. Any lab writing not completed during lab time needs to be completed at home. Study Guides and Tests are scheduled to do at home. View multimedia companion CD during or after reading each module. Note when you need to watch it. See the **Anatomy Lab Schedule for Co-ops** sheet for experiment details and supplies needed for each lab. Fill in dates each week to keep you on track.
